Modbury Caring

- provides and manages a car service that offers transport for people which will enable them to attend health-related appointments (doctor, dentist, optician, hospital, etc.).
- offers a befriending service for those who may be faced with challenging times or who may be feeling lonely and isolated. This service is managed by our coordinator who will call you to make an appointment at which she will discuss your needs. This will enable her to select a suitable volunteer to team up with you.

The Modbury Caring 100 Club raises funds for these services. To join, please complete the form and send it to the Treasurer or put it in the letter box in the Health Centre lobby.

The annual subscription is £12 and can be made in cash, cheque or by bank standing order.

A list of members will be sent on request and can be found on the notice board in the Health Centre lobby.
